Re: Parent/Student Vue is [HERE](#)

Dear Parents and Students,

We are excited to offer parents and students a day-to-day insight into their academic experience. Our Synergy Parent/Student Vue gives parents/students real-time information on assignments, scores, attendance, tardies, discipline, health office visits, immunization compliance, graduation status, and school events. Parents and students can only see their information.

The first step: Parents/Students please call or visit your grade level school office and give the secretary your email address. The elementary school office number is 928.683.2225 ext. 123. Please speak with Mrs. Beverly Perry. The middle/high school office number is 928.683.2225 ext. 111. Please speak with Mrs. Revi Sandoval. Once the secretary inputs your email address into synergy, the system will create an activation key. We will then mail home a summary sheet with the URL address (website) to utilize your activation key to set up your account. Simply follow the steps on the website to set up your account. **You can convert this site to Spanish if necessary by clicking on the Spanish tab which is located mid-page on the left hand side.** If you need assistance at any time, our district Tech-Ms. Mayra Celaya, can be reached at 928.683.2225 ext. 198. Additionally, we are offering classes to help you set up your account. The first class is Tuesday, January 31st from 6-7 p.m. in the computer lab in our Library. The second class is Thursday, February 2nd from 6-7 p.m. in the computer lab in our Library. Please spread the word regarding Parent/Student Vue as this is a great communication tool for parents, students, and teachers.

Warm regards,

Dr. Anthony J. Perkins
